

Architectural Series: Frank Lloyd Wright

This series of three programs will cover a wide range of work by Frank Lloyd Wright and other architects presented by architectural historian Frank Landi. Landi's extensive collection of unique photographs, and his mathematical and poetic approach to the topic will provide interesting insight into this well-known artist.

Frank Lloyd Wright: Artist/Poet/Philosopher - Thursday, Feb. 11 - 6:30 pm

This program features 15 of Mr. Wright's most famous buildings. You will learn about Mr. Wright's architectural philosophy as it relates to the design of each building.

Frank Lloyd Wright: Unfamiliar Places - Thursday, Feb. 25 - 6:30pm

This program explores 13 of Mr. Wright's famous and some not so famous buildings. Compliments the program of Feb. 11

The Architecture of Louis Sullivan - Thursday, Mar. 11 - 6:30 pm

This program explores the architecture of "Poet Architect" Louis Sullivan, one of Chicago's most famous architects and mentor to Frank Lloyd Wright.
